weddings

*magical setting for your special day*

Built in 1633, this fairy tale Manor House with its beautiful, secluded gardens, elegant, oak panelled rooms, log fires and award winning food is the idyllic venue for romantic wedding celebrations.

We can host every part of your special day from the ceremony and wedding breakfast to the evening reception, be it small and intimate or a lavish, grand affair. The surroundings will captivate and charm your family and friends and you can be assured of a perfect day which will be remembered with much happiness.

*unique atmosphere*

**For over 45 years Holdsworth House has been the area's most exclusive venue**

The restaurant is one of the most highest rated in the county with numerous awards for imaginative and stylish food. For the eleventh consecutive year we have been awarded two AA rosettes in the 'Best Restaurants in Britain Guide'

Reception drinks can be served in the delightful gardens or in the hall and lounge. After the wedding meal you and your guests will have exclusive use of the Stuart Room Suite with its own private courtyard, lounge and cloakrooms.

If you are holding a civil ceremony, Holdsworth has a choice of four beautiful rooms for up to 120 guests. For a small, truly intimate ceremony - no more than eight - the Gazebo, located in a corner of the Parterre Garden, is a romantic alternative.

*experienced and friendly staff*

Our wedding co-ordinator has a wealth of experience and will be able to guide you through all the important decisions, from the early planning stages through to the last important details.

The experienced and friendly staff will give the personal attention which is so important and which will help to make your day unique. Once a date has been agreed with the hotel, independent arrangements should be made with the Registrar.
