HOLDSWORTH HOUSE PET POLICY

By booking a room at Holdsworth House you agree to this policy:

We're happy to welcome up to two well behaved dogs per room in our designated dog friendly rooms, at a charge of £30 per dog per night.

Please let us know when booking that you're bringing a dog, as space in dog friendly rooms is limited and cannot always be guaranteed on arrival.

Dogs must not be left unattended in rooms unless securely crated in a suitable pet crate with adequate water. Please be considerate of other guests and do not leave your dog alone if it is likely to bark or become distressed.

Dogs must be kept on a lead in all public and communal areas of the hotel. For the comfort of all guests, only guide dogs are permitted in the restaurant and spa areas.

Please clean up after your dog, both indoors and in the hotel grounds.

Owners are responsible for their dog at all times and are liable for any injury, loss, spoiling or damage caused to anyone or any property during their stay at a fair rate of reparation.

Be sure to leave the “Dog in Room” hanger on your door so our Housekeeping team knows of a dog in your room.

If your dog accidentally soils indoors please ask our Housekeeping team for disinfectant spray, cloths or poop bags as soon as possible so that you can clean up and sanitise the area immediately. Whilst we love dogs, our teams cannot give assistance with the care of or cleaning up after your dog.

In the unlikely event that we need to deep clean your room (to remove soiling or pet hair), there’s a £100 surcharge.
